The problem of Crack the DAT Reading is that when you get the crack, you can practice on the crack. However, you have to change the level, which is not a crack. The math crack does have the level, but you can only practice on it. So its really hard to practice on the math crack. The math crack is also a lot smaller than the real crack, and has about as many questions as real crack. Also, the numbers are smaller in the math crack. Jul 7, 2021 I usually get around 170-180 on my regular DAT practice test and then usually practice on the crack by practicing on the reading and math cracks, which seem to be about 200 questions each. Jul 7, 2021 The Crack the DAT RC is sufficient to get the score that I did. They are a little easier than a regular RC, but not much. So they are basically the same. For a test that is in your favor to get a high score, I would recommend getting the crack first, then the RC. Jul 8, 2021 I did this with crack the DAT, crack the RC and finally a regular DAT RC. Usually when I crack the DAT first, I'm able to get a score of 350-360. When I use the DAT RC, my score is usually 330-340. Then when I try the RC again I get a score of 300-310. Jun 26, 2019 I used Crack the RC and then a real RC. I got 320 with Crack the RC and 341 with the real RC. I do not recommend cracking the RC and then practicing on

the real RC because they were different. Apr 26, 2017 I got it, and compared to the regular DAT I got a score of 348. A little less than the Crack DAT PAT. Apr 29, 2017 CRACK THE DAT IS MORE SUFFICIENT TO GET THE SCORE THAT I GOT. My score was 265 on the regular DAT, so I took the crack. I got a score of 350. I recommend cracking the DAT first and then going to CRACK THREADS Dec 9, 2017 I took CRACK THREADS a few days ago and did well on it. I got 467. Nov 4, 2019 I took CRACK THREADS and I got a score of 653. Nov 4, 2019

Math is mostly the same: More Bootcamp Like Questions You do a lot of Bootcamp Style problems which are less straight-forward and more just . Reading/Language is harder: PAT Test is harder than Real DAT You do a little bit of "Crack the DAT" Then you sit and take the real DAT But Bootcamp does have some extra problems that are different: Extra Questions (50% of test) Your test results will . Below are the steps I followed to get my official score. Note that I opted not to take the real DAT because I did well on my practice exams and because I couldn't find a live stream or even an online version. Practice exams for the real DAT. I took the "Crack The DAT" test on a single day. I didn't feel comfortable doing it online or live on a streaming service. Part 1 I studied online from 3 different resources. 3- I bought the Kaplan DAT book, . 2- I got the Kaplan DAT workbook (which contains some of the Kaplan DAT questions in order to practice), and . 1- I bought the Kaplan DAT Real test on CD. I prepared a total of about 1 month for Part 1 of the real DAT. Note that I always logged on to practice the tests throughout the preparation period. I did about 7 hours of practice in each of the three practice tests. Each practice test had about 5 to 7 questions, and I always logged on to complete at least the entire set of practice tests on each day. I think this gave me a good idea of how much time I had to spend on each section. I will be forever grateful to the "Crack the DAT" team for giving me a free "Crack the DAT" test. It has helped me greatly. I can't stress this enough. This program allowed me to better prepare for the DAT, and it is especially useful for people with a deadline coming up. I did not purchase a test prep book or a practice workbook from a publisher. I didn't watch any videos, but when I was preparing for the test, I read at least a few sections of the Kaplan DAT book. I also went through it in the same manner as I did my practice exams. Practice 2d92ce491b
